Sup't F. P. Swindler left Tuesday evening for Salt Lake City.

Mrs. John Thomas gave birth to a fine baby girl Saturday night.

A fight on main street Sunday evening made things lively.

Mrs. Jas. A. Nesbitt of Pioche and baby were down for a few days.

The child of Mr. and Mrs. Ruffato who has been sick for some time, died Saturday.

Much speculation is indulged in as to who will be our teachers the coming term.

Mrs. Dan Duffin gave birth to a boy on Wednesday morning. Mother and child well.

Sheriff Johnson left Tuesday for the County seat to be attendance at the District Court.

Our legal lights, McNamee and Sanders went to Pioche to attend the sitting of the District court.

Ice will soon be a scarce article, as only enough ice is on hand to last till the middle of this month.

There is a general complaint of not feeling well, and a good many complain of a rolling pain in their tripe.

Both mining companies continue to grind away on the ore, and the usual force is employed at both places.

Quite a number have gone to the County seat to get their naturalization papers, this being the last chance before election.

A fine shower Wednesday which cooled the atmosphere. We will not object to another one of the same kind and duration.

Two men were brought back from Panaca and are now inmates of hotel Johnson. They were brought back for jumping their board bill.

Mr. and Mrs. Giles left here last week. Mr. Giles goes to Bully Hill to one of Capt. DeLamar's bonanzas, and Mrs. Giles to visit her mother.

County Assessor Freudenthal has been with us for the greater part of last week, and left for home Monday, having finished assessing the town, and also Pahranagat Valley.

Rev. J. Darnelle left for Salt Lake Monday, and will not return till the first part of September. During his absence there will be no Sunday school nor services held in the hall.

One of our saloon keepers was shot Tuesday evening by one of the fair doves, but luckily escaped a fatal shot, being hit on the rib over the heart, the rib deflecting the bullet. It was a narrow escape.

The members of the Silver Party Central Committee met Saturday and filled the vacancies existing by electing A. J. Burk as Chairman and H. E. Freudenthal as Secretary. The following delegates were nominated to represent Lincoln County at the Silver Party State Convention to be held at Virginia on September 6th. From Panaca, E. R. Phillips, Pioche, J. B. Wheeler, Fay City, Press Lamb, Searchlight, F. W. Dunn, and from Delamar, Zebb Kendall and T. Tresidder.

A Wreck on the Utah and Pacific.

Last Thursday afternoon a wreck occurred between Nevada and Modena on the Utah and Pacific train in which several passengers were hurt, among them being Mrs. Jas. Giles and Mrs. George Harris of DeLamar and Bennett springs. The train has always backed down to Modena, as they had no (Y) at that place, and this causes them to either back up or down, which has been the custom for over a year.

It seems as though a cow was standing on the track which was not seen by the R. R. employees until they had run her down, when the passenger and baggage car left the track. Mrs. Giles scalp was laid back several inches, Mrs. Harris had her arm fractured and was badly shaken up. The other passengers were all very lucky, as there was a doctor at Modena, who dressed their wounds, so they could proceed on their journey. A special train was brought from Milford and the wounded and scarred were taken safely on their journey to Milford.

All in all, it was a very lucky escape from what might have been worse. Those who were badly hurt were Mrs. Jas. Giles of DeLamar, Nev., head badly hurt and shaken up; Mrs. Geo. Harris of Bennett springs, Nev. arm fractured and badly scarred, but all are congratulating themselves that things were no worse and they escaped with such slight injuries.—Lode.

Latest War News from China.

Washington, July 31.—The War department this afternoon received this cablegram from China:

"Che Foo, (undated).—Tien Tsin, July 27.—Corbin, Washington.—Message just received from Conger says: 'Since 16th, by agreement, no firing. Have provisions several weeks, little ammunition. All safe, well.'"

"I (Daggett) report allied forces advance. Practically no looting by Americans; no unnecessary killing. India arrived 26th. Order McCann, Sladen, both Allens Mitchell, Brice join regiment here.

"DAGGETT."

Are Still Defending.

Adjt-Gen. Corbin today received a dispatch from Lieut.-Col. Coolidge, commanding the Ninth infantry at Tien Tsin. It came by way of Che Foo and is as follows:

Tien Tsin, July 27.—Following letter of Lieut.-Col. Shiba, military attaché at the legation of Peking, dated July 23rd, arrived Tien Tsin 25th, at 9 o'clock in the evening:

Peking July 22.—We are all awaiting impatiently arrival of reinforcing army. When are you coming? All legations have been blockaded since 13th last month and since the 20th we have been attacked continually night and day by the Chinese soldiers from more than ten encampments. By a supreme effort we are still defending.

Cannot Hold Out Long.

We are daily awaiting with the greatest anxiety arrival of reinforcements and if you cannot reach here in less than a week's time it is probable that we will be unable to hold out any longer.

Emperor and Empress Dowager appear to still be at Peking. Where our reinforcements to arrive very probable that they would flee to Wan Shashon.

China Formally Declares War.

London, July 31.—A special dispatch from Tien Tsin today says:

A Peking message dated July 21st reports that the first outside news reached there July 18th. The failure of the relief expedition made the siege far more perilous. On June 19 the Tsung-li-Yamen broke off relations. June 20th China declared war. Baron von Ketteler and Francis James, an English professor were murdered. Over 400 non-combatants occupied the British legation.

I understand converts are holding the North cathedral. A thousand refugees occupied the palace of of Prince Lu. A truce began July 18th, after twenty-six days of fierce assault. One night the shelling was uninterrupted for six hours.

Four attempts was made to fire the British legation. Two attacks resulted in the ruin of Hon Lin college, the Chinese national college. The cowardice of the Chinese prevented a successful rushing.

The total killed or dead is: Germans 10, Japanese 10, French 11, British 5, Russians 4, Americans 7, Italians 7, converts 9; total, with wounded, 98. The correspondents, Morrison, Reid and Temyer are ill.

At least 5000 Chinese have been killed. The Americans occupy a strong position on the city wall. Provisions are still sufficient. The hospital arrangements are excellent. Everybody is much exhausted by continuous work.

Imperial edicts have commanded the Boxers and ordered missionaries to leave the interior, and commanded all Viceroy's to help Peking; but an edict dated July 18th enjoins protection and promises compensation. The report that a large relief force was coming produced this change. Foreign Government should beware being hoodwinked.

Eagerly Awaiting Relief.

Rome, July 31.—The commander of the Italian cruiser "Elbe," at Tien Tsin, received the following

telegram today from the Japanese attaché at Peking, dated July 22nd: The legations are eagerly awaiting relief. Cannot hold out long. Sixty Europeans killed.

As To Mining Stocks.

It is not safe to keep stock for any length of time in any name except your own. People generally are under the impression that where stock is in the name of some persons as "trustee" or "agent" that such stock can safely be held by them, and thousand of people are doing it to-day. A great many of these persons do not even know the person whose name is on the stock they are holding, their whole reliance being on the fact that following the name is the word trustee or agent.

This is a great mistake and risk which people should be warned against, for the court has decided that those words trustee and agent, following a name on the face of a certificate of stock, mean absolutely nothing, or, as they say, are "words of description," and that the stocks belongs to the person whose name is on the stock.—Mining Investor.

A very heavy rain visited Panaca Wednesday.

A duck who had laid several dozen eggs during the season, complained that while her working record was better than the hen's, the latter had books and poems written in her honor, while no one had a word of praise for the duck. A wise old rooster standing by said: "You lay an egg and then waddle off without saying a word, while that sister of mine never lays one without letting everyone in the neighborhood know about it. If you want to cut any ice around here you must advertise."—Exchange.
